AWARD

The Government of India, Ministry of Labour by its Order No. L-31011/11/93-IR(Misc) dated 3rd February, 1994 had referred to the following Industrial Dispute for adjudication.

"Whether the action of the management of J.N.P.T. in not promoting the senior-most Junior Assistant, Mr. S. D. Pednekar to the post of Senior Assistant with effect from 1-9-1990 is legal and justified? If not what relief the concerned workman is entitled to?"

2. S. D. Pednekar the workman was appointed as a clerk at Jawaharlal Nehru Port Trust (hereinafter called as J.N.P.T.) from 21-3-84. He was promoted to the post of Junior Assistant on the basis of seniority and suitability w.e.f. 12-4-88.

3. The Union on behalf of the workman contended that the workman was entitled to the promotional post of Senior Assistant on the basis of seniority and suitability and service conditions governing the workman at the relevant time. He was to be promoted on 1-9-1990. However, the management appointed an outside person on the said post depriving the legitimate claim of the workman. It is asserted that action is unjust and illegal. It is prayed that the management be directed to appoint the worker as in the cadre of senior assistant w.e.f. 1-9-90 and give consequential reliefs.

4. The management resisted the claim by the written statement Exhibit-3. It is averred that as per the promotion and recruitment rules of the J.N.P.T. the junior assistant who have completed five years of service in that capacity are eligible for appearing in the test for promotion of the post of senior assistant. The worker was not eligible to be promoted as a senior assistant as on 1-9-1990.

5. The management contended that Smt. S. S. Pendharkar was taken as a senior assistant on a transfer basis on her application and in pursuance of Government of India's policy that husband and wife as far as possible, be provided employment at same station. It is averred that her husband is employed as senior signal man. On her request she was placed as a senior assistant from 1-9-1990. It is submitted that therefore, no prejudice is caused to the worker by the said appointment. It is denied that the said appointment is irregular and violative of section 9A of the I.D. Act of 1947. It is submitted that the worker is not entitled to the relief as claimed.

6. The issues that fall for my consideration and my findings thereon are as follows:

Issues

Findings

- | | |
|---|--|
| 1. Whether the action of the management of J.N.P.T. in not promoting the senior most junior assistant Mr. S.D. Pednekar to the post of senior assistant w.e.f. 1-9-90 is legal and justified? | The action is not legal and justified. |
| 2. If not, what relief the concerned workman is entitled to? | As per order. |

REASONS

7. It is not in dispute that the worker Pednekar was appointed as a clerk w.e.f. 21-3-84. He was promoted to the post of junior assistant on the basis of the seniority and suitability w.e.f. 12-4-88. It is also not in dispute that Smt. Pendharkar who was not in the service of J.N.P.T. at that time was appointed as a senior assistant w.e.f. 1-9-90.

8. Pednekar (Exhibit-7) and Gupta (Exhibit-8) Secretary of the Nava Sheva Port and General worker unions corroborates each other and affirmed that the post of senior assistant was given on the basis of seniority and suitability.

It was done so far as other workers of J.N.P.T. are concerned. They affirmed that N. M. Dharshetkar G. S. Date, A. R. Surve and Sarang were promoted to the post of senior assistant within a period of one year and seven months, five months and three months, respectively. This is supported by documentary evidence Exhibit-14 filed by the management.

9. Prabhakar Dhondiram Shinde, (Exhibit-10) Asstt. Manager of J.N.P.T. affirmed that Smt. S.S. Pendharkar was appointed as senior assistant on the strength of the O.M. No. 28034/7/86-Estt. (A) dated 3rd April, 1986. He admits that there were few instances promoting junior assistant to senior assistants who have not completed the period of five years. But later on after considering the representations the adhoc promotions were set right. He affirmed that the senior assistants has to be appointed from eligible candidates of junior assistants who have completed five years of service. So far as this rule is concerned he admits that the board of Trustees and the Central Government had not approved this rule. As this is so it has to be accepted that the post of senior assistant is given to the junior assistant who is senior most and found suitable. There is no record to show that the worker was not found suitable for that post and therefore he was not given the post. The criteria which is tried to be brought on the record is that the five years rule that is the eligibility for getting promotions is without any basis. It cannot be accepted.

10. What is tried to bring on the record from the testimony of Shinde is that the appointment of Smt. Pendharkar is just and proper. Again there appears to be contradictions as brought out on the record by the representative of the union. Exhibit-5/3 is an application of Smt. Pendharkar for getting the transfer. Exhibit-3/2 is the policy of the Government to appoint husband and wife at one place. Exhibit-13 is an order by which Smt. S.S. Pendharkar was appointed as a senior assistant. From the terms of the appointment order it does not reveal that it is a transfer on deputation basis. But it appears to be clear cut fresh appointment.

11. In Virendra Kumar V. Union of India AIR 1981 S.C. 1775 Their Lordships have observed that similarly situated persons should be similarly promoted after completing same period of service. It is further observed that government cannot insist that they cannot be considered for promotion unless they completed three years of service. There is no justification in such differential treatment. On the basis of this authority it is tried to argue on behalf of the union that the workman is entitled to the promotion. I have already observed above that there are no rules which are approved by the competent authorities. As this is so the worker is entitled to the promotion on the basis of the rating given in the above authority.

12. The Learned advocate for the management placed reliance on Brooke Bond India P. Ltd. and their workmen 1966 I LLJ 402, Hindustan Lever Ltd. V. Their worker, 1974 LIC 128 to substantiate the argument that the promotion is a management function and Industrial Tribunal or the Labour Court can interfere only in case of the refusal of the management to place the workman in the higher grade was on account of his trade union activities by way of victimisation. The ratio given in these authorities had no application to the present set of facts for the reasons given above. For all these reasons I record my findings on the issues accordingly and pass the following order:

ORDER

1. The action of J.N.P.T. in not promoting the senior most Junior assistant Mr. S.D. Pednekar to the post of Senior assistant w.e.f. 1-9-1990 is not legal and justified.
2. The management is directed to treat S.D. Pednekar as a senior assistant w.e.f. 1-9-1990.

3. The management is further directed to give him all consequential benefits within three months from today.

4. No order as to costs.

AWARD

The management has today filed copies of the departmental proceedings held against the workman.

2. The workman has sent written arguments in duplicate but has chosen to remain absent. Second copy of his written arguments has been made available to the representative of the Bank, who has been heard in details. I did not have the opportunity of hearing the workman since he did not choose to appear in spite of the fact that copy of the reply to written statement of claim was made available to him.

3. The dispute referred to the Tribunal is in the following terms :

"Whether the action of the management of Bank of Maharashtra, Kolhapur in discharging Shri Bhaskar S. Vaze, Clerk from service with effect from 1st July, 1991 is justified? If not, what relief, is the workman entitled to?"

897 GI/96—14.

4. Admittedly, the workman was employed as a Clerk at Wai Branch of the Bank. His case was that he had an unblemished career. This is believed by the fact that he had been earlier punished on as many as three occasions as mentioned in para 2 of the reply, which was not controverted by the workman.

5. Admittedly, he was charged for misconduct and a domestic enquiry was held. Nothing has been shown in the statement of claim which may go to show that the enquiry was not fair, proper or legal.

6. This Tribunal cannot reappraise the evidence led during domestic enquiry as a court of appeal. I find that the Enquiry Officer, Disciplinary Authority and the Appellate Authority, on due assessment of evidence found that the alleged misconducts have been proved.

7. One of the contentions raised was that provisions of Evidence Act had not been followed. In my opinion, the provisions of the Evidence Act are not applicable to a domestic enquiry at all.

8. One contention was that on charge No. 1 being condoned, punishment could not have been inflicted at all. This contention is devoid of merit because clause 6(g) of the relevant settlement reads as follows :

"6. an employee found guilty of gross misconduct may

(a)

(b)

(c)

(d)

(e)

(f)

(g) have his misconduct condoned and be merely discharged."

This is what precisely has been done in this case. I, therefore, do not find any merit in the claim and am of the view that the workman was rightly discharged by the management and on a proven misconduct. To my mind provisions of Section 25F of the Industrial Disputes Act were not attracted. The workman is not entitled to any relief. Award is made accordingly.

AWARD

The Central Government, vide letter No. L-12012/7/88-D.IV (A) dated 9-8-1988 in exercise of powers vested under Section 10(1)(d) (2-A) of the Industrial Disputes Act, 1947, referred the following dispute to this Tribunal for adjudication :—

"Whether the action of the I.D.B.I. and I.I.C. in terminating the services of Shri Bansi Ram Peon-cum-Chowkidar with effect from 7-5-1986 is justified? If not, to what relief the concerned workman is entitled to and from what date?"

On receipt of the above said reference from the appropriate Government, notice was sent to the parties and on appearance, the workman filed his statement of claim. It was alleged in the said statement of claim that he was appointed as Peon-cum-Chowkidar in the service of the I.I.C. in the year 1977-78 on Daily wage basis and his services were later on regularised with effect from 9-5-1986. It was further alleged that the offices of Entrepreneurial Guidance Bureau (EGB), run by I.I.C. at different places were wound up with effect from 31-12-1981 and with a view to prevent loss of employment to the existing staff, the I.I.C. arranged with I.D.B.I. that the various offices of the E.G.B. would be taken over by them with effect from 1-1-1982 and as per said decision, the I.D.B.I. took over the E.G.B. Offices and as a result thereof the said workman was absorbed in the service of the I.D.B.I. and was posted in its subsidiary namely Jammu and Kashmir Industrial Technical Consultancy Organisation (JKITCO). It was further alleged by the workman that to his utter surprise his services were terminated by the I.I.C. vide order dated 7-5-1986. He, therefore, alleged that his termination after transfer of his services to I.D.B.I. by I.I.C. was patently illegal and bad in law. The respondent Managements of I.D.B.I. and I.I.C. filed their reply to the statement of claim and justified the termination of the services of the workman.

With a view to prove the claim, the workman tendered his evidence in the form of an affidavit Exhibit W-1. He also placed on record various documents/letters Exhibits W-2 to W-5. The respondent Management of I.D.B.I. filed the affidavit of Shri R. K. Bansal, as Exhibit M-1 and the I.I.C. filed affidavit Exhibit M-2 of Shri Hukam Chand, their Vigilance Officer. Both the Managements also placed on record documents Exh. M-3 and M-4 for justifying the action taken by them against the workman. Certain relevant communications were also filed alongwith affidavits for purposes of appreciation of the stand taken by the Management. The deponents of the affidavits also produced themselves in the witness box for purposes of cross-examination by the opposite party.

I have heard the representatives of the parties and have also gone through the relevant record minutely.

The representative of workman reiterated the stand already taken by the workman in his statement of claim was as in the affidavit Exhibit W-1. He also argued that the respondents-Managements retained the juniors in service and terminated the services of the workman without payment of any compensation. The representative of the I.I.C., however, justified the action of the Management in terminating the services of the workman being surplus on account of winding up the offices of the E.G.B. at various places in the country. It was further argued that the termination of the workman was

rightly ordered in view of the provision in Rule 13 of the Service Rules of the I.I.C. The representative of the I.D.B.I. however, maintained that the workman was never in the employment of the I.D.B.I. and, thus, his services were rightly terminated by the Management of the I.I.C. it was also argued that the workman was not entitled to any relief and the I.D.B.I. or the I.I.C. was neither an Industry nor the workman was a worker under the Act. This objection, in any case, appears to be just frivolous and without any cogent basis.

I have gone through the record carefully. It is clear from letter dated 9-5-1980 Exhibit W-2 that the workman was appointed as Peon-cum-Chowkidar by the I.I.C. subject to the terms and conditions as incorporated in the said letter appointment. Exhibit W-3 is another letter dated 23-12-1981, which shows that the Government have decided to wind up the offices of E.G.B. run by the I.I.C. at Allahabad, Bhopal Calcutta, Chandigarh and Madras with effect from 31-12-1981 N. This letter also shows that it was decided to transfer the staff working at the E.G.B. the I.D.B.I. or the Organisations to be named by it or a new organisation that may be set up by it with effect from 1-1-1982. This letter indicates the name of the workman which clearly means that on winding up of the E.G.B., his services were also ordered to be transferred the I.D.B.I. with effect from 1-1-1982. Some how, as is evidence from the documents Exhibit W-5, a meeting was held in the room of Executive Director, I.I.C. at Delhi on 2-2-1985 in which the representative of the I.D.B.I. and I.I.C. had participated. It was decided in this meeting that as per the opinion of the Ministry of Law, the employees of the erstwhile I.I.C. could claim to be on deputation with the I.D.B.I. from I.I.C. It was also decided in this meeting that I.I.C. should terminated the services of the employees after giving them due notices since the establishments where they were working had been wound up. It is, however, not understood as to on what basis the Managements took the decision that the employees taken over by the I.D.B.I. should be treated as on deputation by the I.D.B.I. from I.I.C. especially when there is nothing to this effect in the original decision of the I.I.C. Exhibit W-3. In any case, on the basis of the said decision Exhibit W-5, the Management of the I.I.C. vide letter Exhibit W-4 terminated the services of the workman, who was stated to have been work on deputation in the Jammu and Kashmir Industrial Technical Consultancy, Jammu. The record also shows that the Management of the I.I.C. vide their letter dated 8-5-1986 sent the termination order to the Managing Director, Jammu and Kashmir Industrial Technical Consultancy for service upon the workman. The letter, in any case shows that after the winding up of the E.G.Bs. the workman had been working in the subsidiary of the I.D.B.I. and his services were terminated by the I.I.C. as per the decision taken in the meeting held at Delhi on 2-2-1985. There is another telegram Exhibit M-4 on the record of the which clearly reveals that E.G.Bs. on their winding up were taken over by the I.D.B.I. This Telegram also reveals that the Management of the I.I.C. was requested by the I.D.B.I. Management to inform the Staff of the E.G.Bs to report for duty to the Chiefs of the respective organisations working under the control of I.D.B.I. The staff of the E.B.G. Chandigarh when the workman was working was desired to report to the Chief of the Jammu and K.J.T.C.O. Jammu. Evidently the workman reported to the said organisation at Jammu in compliance to the said communication of the I.D.B.I. and in view of the decision take in the letter dated 23-12-1981 Exhibit W-3. It is not understood as to how in the absence of the consent of the workman, the I.I.C. Management decided to treat the workman on deputation with J. and K.I.C. Jammu. Apparently it appears to be a decision just as an after thought for purposes of dispensing with the services of the workman, who was earlier in the employment of the E.G.B. under the control of the I.I.C. As is evident from document Exhibit W-3, the services of the workman had been placed with the I.D.B.I. with effect from 1-1-1982 and evidently in such a situation the I.I.C. had no right or justification for terminating the services of the workman w.e.f. 7-5-1986. The said action of the Management of the I.I.C., therefore appears to be highly unjustified and uncalled for. In case, the I.D.B.I. had decided not to continuous the workman in its organisation, the Management of the I.I.C. was bound to absorb him in its own organisation, as he was their employee before winding up the E.G.Bs. The action of the workman, therefore, appears to be illegal. The workman has admitted in his cross-examination that he has been doing agricultural work in his native village after 7-5-1986, the date of his termination.

It means that he has been engaging himself for earning his livelihood. In such a situation, the management of the I.I.C. will, therefore, have to take him in its service with continuation of post service on payment of 5 of the back wages since the date of his termination. The reference of the Central Government shall stand answered accordingly and the appropriate Government be suitably informed.

(Dated this the 12th day of February, 1996)

PRESENT :

Shri K. Kanakachandran, Industrial Tribunal.
I. D. No. 29/93

BETWEEN

The Regional Manager, Bank of India (Regional Office)
College Ground Junction, P.B. No. 1113, Ernakulam,
Cochin-682011.

AND

The Workmen of the above concerned Sri T. V. Antony,
Thanikkal, Challissery, Arimbur, District Trichur,
Kerala.

REPRESENTATIONS :

Sri N. N. Venkitachalam, Advocate, Cochin-18—For
Management.

M's. M. Ramachandran and A. Jayasankar. Advocates,
Cochin-17—For Workman.

AWARD

1. The Government of India by their order No. L-12012/413/92-IR (B-II) dated 8-4-1993 had referred the following industrial dispute for adjudication :

"Whether the claim of Sri T. V. Antony that the termination of his services by the management of Bank of India erstwhile Parur Central Bank Limited was unjustified and that he is entitled to be appointed permanently in the services of Bank of India on the basis of his past services with Parur Central Bank Limited is justified? If so, what relief Shri Antony is entitled to?"

2. In the statement of claim filed by the workman it is contended that he was engaged as a Peon on casual basis in the Parur Central Bank for a very long period before its amalgamation with the Present Management. The amalgamation with Bank of India took effect from 20-2-1990. After the amalgamation, the Bank of India was not engaging him for a longer period. In the erstwhile Parur Central Bank he had almost continuous service from 1988 to 1990. When he was denied of employment, he made enquiries with the Branch Manager at Ernakulam and at that time he was told that the Bank was considering the commitment made by the Parur Central Bank in the matter of employment of workman. But no positive steps were taken by the Successor Bank to regularise his service. Since he worked in the Kandasankadavu Branch of the Parur Central Bank for more than 8 years, he was entitled to be considered for regularisation in the vacancy of a Peon. He is now out of employment and hence his plea is for passing an award directing the management in this dispute to reemploy him with all the benefits.

3. In the statement filed by the management it is contended that the workman concerned was engaged purely on a casual basis on daily wages by the former Parur Central Bank and that itself was only for few days in a month. His name was not at all in the rolls of the Parur Central Bank. Since he had not worked for 240 days consecutively within a period of 12 months at any time during that period, he is not entitled to seek any remedy provided in the Industrial Disputes Act. Altogether the workman had worked only for 143 days during the period from 16-3-1977 to 2-12-1983. Then after he had worked only for 64 days in the year 1984, 8 days in the year 1985, 34 days in the year 1986 and 94 days in the year 1987 and 33 days in the year 1988. But in the year 1989, he worked only for 2 days whereas in the year 1990 he worked for 29 days. Since he had worked as a casual worker and that too for few days in a month, there was no occasion for considering his regularisation in services. Initially he was getting daily wages at the rate of Rs. 3 per day and later at the rate of Rs. 10 per day and that was payable only when he worked. The Parur Central Bank was taken over by the Bank of India in the year 1990 and at that time all the employees in the roll of the Parur Central Bank were absorbed as the employees of the Bank of India. The workman's name was not included in the list of employees to be absorbed in the services of the Bank of India on the basis of regular employment they had in the erstwhile Parur Central Bank. Under the Bank of India, also, the workman had worked only for few days that is 54 days during the period from January to October 1991. In so far as appointment of sub staff in the Bank of India is concerned, they will have to follow the guidelines issued by the Government of India. In accordance with such guidelines employment exchange candidate alone could be considered for appointment. Moreover they must be fully qualified for appointment also. There is no provision for regularisation of casual workers as against the provisions contained in the guidelines. Since the workman was only a casual worker, there was no occasion to terminate his services. Moreover there was no commitment on the part of the management to give appointment to the workman. Therefore it is contended that there is no merit in the claim made by the workman.

4. Both workman and management adduced oral and documentary evidence. Ext. M-2 series are the correspondences made by the Branch Manager and Head Office of the erstwhile Parur Central Bank. In one of the communications dated 7-3-1988, details of the total number of days of service rendered by the workman during different years from 1977 to 1988 were stated. It would show that during the whole period spread over 11 years, he worked only for 318 days. The very same communication further shows that from 1-2-1988 onwards he was working in a permanent vacancy. This communication is of the Branch Manager of Kandasankadavu of the Parur Central Bank. Ext. M-3 is a statement filed by the management. That would show the number of days the workman had worked as a Sub-staff under them. It would show that he worked only for 54 days in the year 1991.

5. From the documents produced by the management themselves it is not evident what exactly the number of days the workman had worked from 1-2-1988 to the date of

amalgamation of the erstwhile Parur Central Bank with the present management viz., Bank of India. As noted earlier, the Branch Manager of Kandasankadavu of Parur Central Bank had reported in his communication dated 7-3-1988 that the workman was working in permanent vacancy from 1-2-1988 onwards. What exactly the total number of days he worked during the years 1988 to 1990 is not evident from any of the documents produced. Only in the pleadings contained in the written statement some details are given; but it does not have any supporting document. Regarding the number of days he worked in the erstwhile Parur Central Bank, better authentic information could have been furnished only by former management viz Parur Central Bank. None of the documents furnished by the management which were obtained from the erstwhile Bank do not contain any information regarding the number of days the workman had worked from 1-2-1988 to the date of amalgamation viz. 20-2-1990. While making reliance on Ext. M-2 series communication, especially the particulars furnished by the Branch Manager on 7-3-1988, it can only be gathered that then workman was working regularly subsequent to 1-2-1988. Without any documentary evidence to disprove the content of Ext. M-2 report of the Branch Manager of Parur Central Bank, no other conclusion plausible. If the worker had continuous service from 1-2-1988 till the date of amalgamation, definitely he would have to his credit more than 240 days of continuous service and in that case any kind of dispensation of his service at the time for amalgamation without the compliance of Section 25-F can only be declared as null and void.

6. While going through the reference order, it can be seen that the reference itself is very vague. It is not clear what exactly to be adjudicated. It is a fact that there was no issuance of termination order in the case of workman either by the management or by the erstwhile Parur Central Bank. However from the evidence brought in by the management bank (Ext. M-2 series) it can be seen that the workman was having continuous service from 1-2-1988. In the absence of any other particulars from the documents produced here (whether it is of erstwhile Parur Central Bank or of the Bank of India) the only conclusion possible is that there was some kind of dispensation of service in the case of workman on the date of amalgamation. That is evident from Ext. M-3 communication of the management. Only long after from the date of amalgamation, the workman was employed on casual basis by the Bank of India. That does indicate that either on the date of amalgamation or immediately after that, the management had not engaged workman for doing the work of a sub staff. There is also nothing on record to show that the workman's services were dispensed with by the erstwhile Parur Service Bank even before the amalgamation. Thus on the date of amalgamation the workman had acquired a vested right to get protection as contemplated under Section 25-F of the I. D. Act and that was because he was having more than 240 days of continuous service to his credit. Therefore any kind of dispensation or termination of service in the case of workman could have been possible on the date of amalgamation only after complying with the provisions contained in Section 25-F of the I. D. Act. Since there is no indication in that respect, it can only be held that the workman's services were dispensed with or terminated by the erstwhile management or present management without complying with the statutory requirements as contemplated in Section 25-F of the I.D. Act. Therefore his ousting from service can only be declared as invalid. Therefore he is entitled for re-employment till his services are validly terminated.

7. Since this being a unique case, the management should examine whether there is possibility for employing workman on regular basis. In some other Nationalised Banks like the management in this dispute, there is a scheme to regularise the services of temporary sub-staff who had occasion to work intermittently during a particular period. Such personnel were given regularisation on the basis of certain guidelines. In the Central Bank of India, persons who worked as sub-staff or Sweeper were given absorption in regular service on condition that they had rendered a total service of 240 days during any period of 12 months between the years 1988 and 1990. Since the workman presumably was having continuous service from 1-2-1988 till the date of amalgamation viz., 20-2-1990, he

would come within the eligible category. If granting of permanency is possible in Central Bank of India to those eligible persons, the management in this dispute which is also a Nationalised Bank can consider about the regularisation of workman concerned also especially when he had to his credit substantial number of days of service to his credit before the amalgamation in the year 1990.

Award is passed accordingly.

AWARD

The Central Government vide Order No. L-12012/163/89-

IR(B-3) dated 18th September, 1989, referred the following dispute to this Tribunal for adjudication :—

“Whether the action of the State Bank of India, Data Processing Centre, Sector-22, Chandigarh in not relieving Shri Shamsher Singh, then messenger on promotion of the post of Jamadar, and transfer to Region-II, Regional Office, w.e.f. the date of receipt of orders, thereby resulting in the denial of allowances of Jamadar to the workman, was legal and justified ? If not, to what relief the workman is entitled to and from what date ?”

On receipt of notices, workman appeared and submitted his statement of claim and pleaded that he was appointed as messenger in the bank on 3-1-1974 and promotion to the post of Jamadar is made on the basis of city seniority among the subordinate cadre employees. Accordingly the regional manager Zonal Office, Haryana and UT Sector-8 Chandigarh called for the recommendation of the eligible subordinate cadre employees from the various administrative offices/branches at Chandigarh. The name of the workman appears at Sr. No. 4 of the seniority list which was prepared after receipt of the recommendation and the appointments to the said posts were released by the Regional Manager, Region-I Zonal Office, Haryana and Chandigarh and the workman was posted at Zonal Office, Punjab Region vide their letter dated 21-5-1986. However the incharge Data Processing Centre Sector 22, Branch did not relieve him in order to join his posting as Jamadar although his juniors Ambika Parshad and Balak Ram working as messengers in Sector-22, Chandigarh and Medical Institute Branch, Chandigarh respectively were also promoted as Jamadars and posted at the same branches. The applicant was however transferred to Zonal Office Punjab Region-11, Chandigarh on 14-3-1987 after a lapse of about nine months for no fault of his. The workman has challenged the action of the bank in not relieving the petitioner to enable him to join his new post as illegal, ultravires. He has prayed that the bank management should be directed to release the allowances of the post of Jamadar w.e.f. 24-5-86 to 13-3-1987.

On the other hand, the plea of the management is that messengers are considered for in cadre higher appointment as Jamadar on the basis of zonal seniority and suitability as this appointment carries a special allowance and become effective from the date an employee report for duty as Jamadar at the place of his new posting or takes up duties of the relative post. It was pleaded that the workman who was working as messenger at Data Processing Centre, Sector-22, Chandigarh was appointed as Jamadar and posted at Zonal Office, Punjab, Chandigarh. Although the relative orders of the controlling authority were received at the Data Processing Centre on 21-5-1986, he could not be earlier relieved for administrative reason and was only relieved on 13-3-1987 for reporting duty as Jamadar at Zonal Office (Punjab), Chandigarh, therefore, the special allowance on the post of Jamadar can not be paid to him and the workman has no cause of action. It was also pleaded that the workman was offered promotion as Jamadar on the condition that the incadre promotion will be effective from the date of his reporting at the transferee office which he accepted. It was also pleaded that the other employees who were promoted Jamadar along with workman were relieved from their present branches earlier to the workman and therefore, there is no cause for the industrial dispute.

The workman submitted replication controverting the allegations of the management as made in the written statement and reiterated his earlier pleas.

The workman appeared as WW1 and submitted his affidavit Ex. W1 almost on the same lines as indicated in the claim statement. During cross-examination he admitted that he was promoted on the basis of letter Ex. M1 which clearly shows that appointment of the Jamadar was to be effective from the date an employee reported for duty as Jamadar at the place of new posting or took up the duty of relative post. Ex. M2 is the copy of letter vide which the workman was relieved on 14-3-1987. In rebuttal the management produced

ed MWI Mahesh Kumar Nangia who produced his affidavit Ex. M3. Perusal of this affidavit shows that the workman was offered promotion as Jamadar on the condition that this incadre promotion will be effective from the date of his reporting at the transferee office which he accepted. It further reveals that other employees which were promoted along with the workman have been relieved from their present branches earlier to the workman whereas the workman was relieved only on 14-3-1987 and he did not work on the post of Jamadar from 24-5-86 to 13-3-1987, so he is not entitled to special allowance eligible to the post. During the cross-examination Shri Mahesh Kumar Nangia denied that the claim of the workman was illegally denied by the management. No doubt Ambika Prasad and Balak Ram were junior to the workman were also promoted as Jamadar along with the workman but they joined on the same day. Whereas the workman could not be relieved. The affidavit Ex. M3 shows that he could not be relieved earlier for administrative reasons and was relieved only on 14-3-1987 for reporting as Jamadar at Zonal Office, Punjab Region, Chandigarh. Since the promotion of the workman from the post of messenger to Jamadar was on the condition that this incadre promotion will be effective from the date of his reporting at the transferee office and that he accepted the same, he now can not turn round and say that he was not illegally relieved or that he is entitled to the arrears of enhanced salary from the period 24-5-1986 to 13-3-1987. Ex. M1 the letter of appointment clearly reveals that he is entitled to pay and allowances of the promotion post from the date of his joining. The action of the management, therefore, appears to be perfectly legal and justified. The workman is not entitled to any relief on this score. This reference shall stand answered against the workman appropriate government be informed suitably in this regard.

AWARD

The Central Govt. in exercise of the powers conferred by clause (d) of Sub-Section (1) and Sub-Section (2A) of Section 10 of the Industrial Disputes Act, 1947, vide No. L-12012/48/87-DIIA/DIII(A), dated 3rd September 1987 has referred the following dispute between workman Krishan Kumar and the management of State Bank of India Region-II, to this court for adjudication :—

“Whether the action of the management of State Bank of India, Regional Manager-II, Harvana in dismissing Shri Krishan Kumar, Messenger with combined designation at their Tohana Branch w.e.f. 11-9-1985 is legal and justified? If not, to what relief is the concerned workman entitled?”

On receipt of reference, notice was issued to the workman who appeared and submitted his statement of claim. The workman was working as Messenger in Tohana Branch of the management. He was charge sheeted on 26-3-1984 on having removed a sum of Rs. 140 on 20-1-1984 from the loose packets given by Shri Avtar Singh cashier for switching and also having removed a sum of Rs. 100 on 3-2-1984 from the cash of Shri Umed Singh and further a sum of Rs. 400 on 11-2-1984 from the cash of Shri Umed Singh. In addition to this he was charge sheeted for having removed a sum of Rs. 147 from the despatch box on 11-2-1984 and Rs. 350 was returned by him through A. S. Sapra to the concerned cashier/despatcher. The workman submitted reply to the charge sheet. Considering his reply to be unsatisfactory the management decided to hold departmental enquiry and Shri S. K. Goyal was appointed as enquiry officer. The workman however did not co-operate with the enquiry officer with the result that Shri S. K. Goyal submitted report which was more or less ex parte. The management decided to hold a D-nova enquiry into the matter and appointed Shri K. L. Sehgal officer MMGS-II as

the enquiry officer. Shri Sehgal submitted his report on 12-6-1985 and found the workman guilty on all the charges. After the submission of the report, the matter was considered by the disciplinary authority and tentative decision was taken to dismiss the workman from service. He was asked to appear in person. The workman submitted reply to the show cause notice and also availed of the personal hearing. Thereafter he was dismissed from service by an order dated 10-9-1985. The workman preferred appeal before the appellate authority which was also dismissed. The workman has challenged his dismissal inter-alia on the following grounds :—

- (1) That the dismissal of Shri Krishan Kumar from the employment is illegal and unthought any solid reason.
- (2) That the dismissal of the workman is not supported with any provisions laid down as Award/Bipartite settlement.
- (3) That the action of the management is based upon personal prejudices.
- (4) That the action of the bank is vague and in disregard and violation of the Standing Orders.
- (5) That the workman is entitled to the relief of his re-instatement from the date of his dismissal with back wages, continuity of service and all consequent benefits arising therefrom.

He has demanded his reinstatement with continuity of service and back-wages.

On the other hand, the management has pleaded that charges against the workman stood proved after a fair and proper departmental enquiry and workman was rightly dismissed from service. His appeal was rightly dismissed. It was pleaded that the workman was given reasonable opportunity. It was also pleaded that workman had admitted his guilt as he wrote letter dated 11-2-1984 and 15-2-1984. Other allegations were denied and a prayer for the dismissal of the claim statement was made.

The workman submitted replication controverting the allegations made in the written statement and reiterated his earlier pleas.

On the basis of the pleadings, the parties were asked to produce their respective evidence. Workman Krishan Kumar appeared as WW1 and tendered his affidavit Ex. W1, the perusal of which shows that he broadly supported the allegations made by him in his claim statement. He was cross-examined. During cross-examination, he admitted that that first of all Shri S. K. Goyal was the enquiry officer before whom he did not appear. He also admitted that on his representation

denovo enquiry was ordered and Shri K. L. Sehgal was appointed as enquiry officer. He also admitted that he was afforded full opportunity by Shri K. L. Sehgal to defend his case and all the documents were supplied to him during the enquiry. He admitted that he never made any complaint that the enquiry against him was not properly conducted. He however admitted that a confession letter was given by him admitting his guilt and also admitted that an opportunity of personal hearing was also afforded before the passing of impugned order. He went on to admit that at the appellate stage also opportunity of personal hearing was afforded. In rebuttal the management has produced MW1 Jasbir Singh, Dy. Manager SBI, who produced his affidavit Ex. M2. The perusal of this affidavit shows that all the charges against the workman stood proved and that opportunity of personal hearing was also given to the workman by the disciplinary authority to show cause against the nature of punishment. The workman appeared for personal hearing alongwith his defence representative and after hearing the disciplinary authority passed the impugned order of dismissal. A perusal of para No. 5 also shows that even at the appellate stage opportunity of personal hearing was afforded to the workman and his appeal was dismissed by the appellate authority. Ex. W2 is the copy of the enquiry proceedings. It shows that proceedings signed by the workman himself. It was argued on behalf of the workman that the persons whose cash is alleged to have stolen by the workman have not been produced during the enquiry proceedings. The perusal of the record however show otherwise. PW2 Shri T. N. Wadhwa stated that there was shortage of cash and the said shortage was on account of stealing committed by the workman. Similarly statement of PW1 Shri S. K. Bajaj also shows that there was shortage and the same was made good before the close of strong room. Shri T. N. Wadhwa has referred to shortage of Rs. 400 on 11-2-1984 and has stated that this shortage was made good. He also stated that workman has stolen this cash while stitching the cash. He also deposed before the enquiry officer that the workman had admitted the lapse committed by him verbally as well as in writing. The workman had liberty to produce his defence evidence. The letters of confession written on 11-2-1984 and 15-2-1984 also show that the shortages were committed by the workman. The workman in his statement made during the cross-examination had admitted this fact. He therefore, not can not turn round and say that the confession statement made can not be relied upon. The admission made by the workman alongwith oral and documentary evidence brought on the record coupled with the circumstantial evidence was enough to hold that the charges stood proved against the workman and he has been rightly held guilty of the charges.

The representative of the workman has argued that the documents were not supplied to the workman. He has however not pointed out which document was asked for by the workman and which was not supplied. It was also argued on behalf of the workman that the enquiry proceedings Ex. W2 have not been proved. This argument is not open to the workman as he himself has produced the enquiry proceedings Ex. W2. I am therefore of the considered opinion that the charges against the workman stood proved and he was afforded reasonable opportunity of hearing at every stage of the case. The termination of the services of the workman, therefore, appears to be legal and justified and the workman is not entitled to any relief on this score. This reference shall stand answered against the workman accordingly. Appropriate Govt. be informed in this regard suitably.

AWARD

The Government of India, Ministry of Labour in exercise of the powers conferred on them under Section 10(1)(d) of the I. D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(188)/86-D.III(A), dated, the 15th December, 1986.

SCHEDULE

"Whether the demand of Rashtriya Colliery Mazdoor Sangh that the management of Loyabad Colliery of M/s. Bharat Coking Coal Limited should place their workman, Shri Ganapath Tiwary, Pay Loader Operator-cum-Mechanic in proper Excavation Grade of his eligibility with retrospective effect is justified? If so, to what relief is this workman entitled?"

2. In this case as it appears from the record that notices were duly served upon the parties. But only the management made his appearance and filed its W.S. The workmen involved in this reference neither turned up for took any steps. Thereafter, several notices were issued to the workmen. In spite of the issuance of notices to them the workmen neither appeared nor filed its W.S. It therefore, leads me to an inference that the workmen are not interested to pursue the matter before this Tribunal, and presently there is no dispute existing between him and the management. In the circumstances, I have no other alternative but to pass a 'No dispute' Award in this reference.

AWARD

The Government of India, Ministry of Labour, in exercise
of the powers conferred on them under Section 10(1)(d) of
the I.D. Act, 1947 has referred the following dispute to this
Tribunal for adjudication vide their Order Nos. referred to
above with the following schedules.

SCHEDULE IN REF. NO. 3 OF 1991

"Whether the action of the Management of Kooridih Col-
liery in Govindpur Area No. III of M/s. BCCL in
dismissing the workman Shri Narayan Bisu w.e.f.
26th October/1st November, 1989 is justified? If
not, to what relief the said workman is entitled?"

SCHEDULE IN REF. NO. 8 OF 1991

"Whether the action of the management of Kooridih Col-
liery in Govindpur Area No. III of M/s. BCCL in
dismissing the workman Shri Banjara Jaina w.e.f.
26th October/1st November, 1989 is justified? If
not, to what relief the said workman is entitled?"

2. Both the references as narrated above have been taken
up together for the purpose of adjudication on consent of
both the parties and thereby this common Award both the
references are disposed off and that will govern both the cases
bearing Ref. No. 3 of 1991 and 8 of 1991.

3. In Ref. No. 3 of 1991 I am to adjudicate whether the
dismissal order of Shri Narayan Bisu as involved therein is
justified and at the same time in Ref. No. 8 of 1991 I am to
adjudicate whether the dismissal order of Banjara Jaina with
effect from same date in both the cases 26th October/1st
November, 1989 are justified? If not what relief they are en-
titled to?

4. As order was passed on consent of both the parties the
cases are dealt with analogously with reference to the materials
produced in both the cases.

5. Before adjudication of the point in issue let us come to
the back ground of the case in a nutshell.

6. There was a bipartite settlement between the manage-
ment and the sponsoring union whereby it was agreed that the
workers involved therein should be absorbed subject to veri-
fication by the Police Personnel and other agencies which is
admitted one.

7. It is also not disputed that the workmen were included
in the list annexed to the settlement for giving job as Badli
Miner/loader subject to verification mentioned in the settle-
ment. It is also not disputed that both the workmen were
given appointment as badli Miner/loader and all parapher-
nalia such as incorporation of their names in the Form B
Register, issuance of Identity Card, opening of C.M.P.F. etc.
were done but all were done subject to verification by the
Police.

8. In case No. 3/91 the concerned workman is Shri Narayan
Bisu son of Shri Bulaha Bisai having address of Dharmaral-
pur, P.O. Erendra, P. S. Pattapur, District Ganjam Orissa.
Similarly the name of the concerned workman in case No.
8/91 his Banjara Jaina son of Holi Jaina of village and P.O.
Erendra, P.S. Pattapur, District Ganjam.

9. Both the workmen were charge sheeted with the allega-
tion that they submitted false particulars regarding their
father's name, address etc. which amounts to misconduct
under para 17(i) of the Model Standing Orders for the Coal
Mining Industry applicable to them. Thereafter a domestic
enquiry was held for both the workmen and on examination
of witnesses produced by both the parties and after consulting
the documents relevant for the purpose of enquiry charge was
found to be established and they were dismissed ultimately
for the misconduct under para 17(i) of the Model Standing
Orders.

10. The order of dismissal of both the concerned work-
men arose in this reference as conciliation failed.

11. Both the parties have filed their W.S. and rejoinder.

12. The case of the concerned workmen is that they are
the genuine persons and they did not furnish any false parti-
culars. About the residents they have stated that they used to
stay elsewhere and thereafter they shifted to the present vi-
lage. So the discrepancy appeared at the time of Police en-
quiry.

13. The management has taken the stand that the enquiry
was held in presence of the concerned workmen and on
Police verification some discrepancies were established which
amounted to fraud leading to misconduct attracting the mis-
chief of 17(i) of the Model Standing Orders and the order
of dismissal was thereby justified.

14. It is pertinent to mention that already I have referred
the settlement entered between the management and the spon-
soring union as regards regularisation of the Badli Miner/
loaders and the said agreement is on record which has been
exhibited from the side of the management. On careful
scrutiny of the said Ext. M-10 it appears that Badli Loaders
would be appointed as per requirement and the names of the
Badli Loaders claiming have also been stated therein subject
to the verification of the Police.

15. Already I have stated that the names of these two
concerned workmen are within the said annexure of Ext.
M-10.

16. It is also pertinent to mention that the name of
Banjara Jaina appears in Sl. No. 16 and the name of
Narayan Bisu appears in Sl. No. 24. Therefore, it cannot be
said that the persons bearing the said names are strangers.

17. Before disposing of the point in issue we should not be
forgetful which have already referred to that there was domes-
tic enquiry in both the cases and that has been accepted by
the concerned workmen to be fair and proper and in that
case we have to proceed to adjudicate the reference accepting
the domestic enquiry to be fair and proper. But under Section
11A of the I.D. Act, 1947 this Tribunal has ample power
to re-assess the finding of the Enquiry Officer from the facts
and circumstances and materials available on record.

18. Practically by this enactment this Tribunal has been
given the power of Appellate authority so far the enquiry
is concerned.

19. In this premises I refer Exts. which are enquiry re-
ports in both the cases and I find that enquiry officer relied
upon the oral evidence adduced by the management and the
concerned workman and the Police report along with the
certificate of Mukhiya and affidavits etc.

20. After careful consideration we cannot by pass that the
foundation of the enquiry report and the finding. Thereafter
is the Police verification roll as the witnesses of the manage-
ment did not state anything except papers which were avail-
able to them.

21. Now I am to see what is the Police report and how far that would be guideline to the points in issue under the present circumstances.

22. Not it is the admitted position as it appears from the record that for 18 persons the management called for a report from S. P. Ganjam and the S.P. submitted a report on the basis of the report received from the S.I. of Police of the P.S. concerned.

23. At the very outset I cannot but comment whether a power delegated by certain agencies can be re-delegated to any other person and if such re-delegation be made whether that is lawful.

24. In my opinion the S.P. practically did not submit the report as it appears from the report of the S.P. himself which is Ext. M-11. The only report which was received from the S.P. Ganjam is that there is nothing adverse against the concerned workmen (names mentioned therein) in the Police records of that district and the verification report in original was returned. However, let me make a scrutiny the report of the S.I. upon which the S.P. acted upon and also upon which the enquiry Officer was persuaded to give his opinion practically. In both the cases I find that on enquiry the photographs pasted therein in respect of the particular workmen involved in these two references tallied with the name of the verification roll. But of course as per report some discrepancy was found in respect of the name and the father.

25. It is a settled principle of law that if any report is to be accepted after enquiry which is the pivot of any finding or conclusion, the party against whom it is used, should be given opportunity to cross-examine the said person otherwise it causes a gross miscarriage of justice. But the Enquiry Officer did not feel nor the management thought to bring the said enquiry officer for examination at any point of time in support of such report. On the other hand the witnesses examined in course of enquiry by the concerned workmen goes to show that the address given at the time of appointment and stated in the Form B Register and P.F. records in respect of the workmen involved in both the references are correct and the discrepancy as regards the name of the father which has been suggested by the management to be fraud has not been supported by the said witnesses. Now the question is whether I shall give weight upon the report of the Police on verification or I shall accept the oral testimony of the witnesses examined who are residents of the same village.

26. I think that when the said witnesses were examined and the management was given opportunity to cross-examine them and it remains unshaken I do not find to reject their version.

27. Moreover, I find that the concerned workmen were verified with reference to their photographs and they were identified to be the correct persons to the Police Officers and by the villagers. In some cases Police as recommended for giving service and it is also in their evidence that due to change of residences there was discrepancy as regards village.

28. In this premises we should not be forgetful that the concerned workmen are the mean of Orissa and they are working in the State of Bihar, and in that case there may be some anomaly in recording while they gave particulars due to communication gap in the sphere of language and pronunciation thereby.

29. Besides that when no other man giving such particulars have come forward even after verification at the spot claiming that he is the genuine person then after observing all formalities it is too late to urge that point when the sponsoring union and the management sat together and came to a settlement and names of certain persons were accepted to be the workers.

30. Therefore, in absence of any other claimant and in view of the settlement exhibited in both the references and the lacunae and the Police report as discussed above it will not be unjust to hold that the concerned workmen are the actual workmen who worked as Badli Miner/Loader before the settlement and their names actually were mentioned therein and thereby I am reluctant to accept that they made any false personification leading to any fraud attracting mischief of Provision 17(i) of the Model Standing Orders.

31. In view of such finding and observation held by this Tribunal specially in view of such vacillating report upon which the Enquiry Officer relied upon I am reluctant to accept the finding of the Enquiry Officer but hold that the charge levelled against the concerned workmen had been established resulting their dismissal from the services of both the workmen.

32. Upon the facts and circumstances as stated above and the materials available on record and in absence of any other claimant and the lacunae as pointed it is held that the finding of the Enquiry Officer should not be accepted and thereby it is held that the order of dismissal as recommended and as made by the management of Kooridih Colliery of Govindpur Area of M/s. BCCL was not in conformity with the legal and factual position and thereby it should not be sustained and it is quashed, and in that circumstances an order should be made for the reinstatement of the concerned workman of both the cases in the post where they used to work, of course subject to the terms and conditions applicable to them for performing that job keeping reservation of the right of all concerned. Accordingly, the management is directed to give the concerned workmen job of Badli Miner/Loader as per settlement mentioned and accepted by the parties considering them to be the workmen as per such settlement on usual terms and conditions prevailing at the present moment considering that they were not dismissed by the management before hand. Of course in view of the present facts and circumstances no order for payment of back wages is awarded in favour of the concerned workmen as their nature of job is of Badli worker not as permanent worker.

33. It is further ordered that the management should implement this award within one month from the date of publication, in default the law will take its own course.

34. This Award will govern both the Ref. Cases No. 3/91 and 8/91 and original should be kept in Ref. No. 3/91 and the copy of the original should be kept with other reference.

35. Thus these two references are disposed off analogously.

This is my Award.

AWARD

The Govt. of India, Ministry of Labour. In exercise of the powers conferred on them under Section 10(1)(d) of the I.D. Act, 1947 has referred the following dispute to this Tribunal for adjudication vide their Order No. L-20012(132) 92-L.R. (Coal-I), dated, the 12th April, 1993.

SCHEDULE

"Whether the action of the management of Moonidih Colliery of M/s. BCCL, P.O. Moonidih, Dist. Dhanbad in not accepting the date of birth of Shri Gohan Hazra recorded in Form 'B' register as 34 years on 17-10-1971 of Kustore Colliery of M/s. B.C.C. Ltd. is justified? If not, to what relief the workman is entitled?"

2. To meet the reference mentioned above the sponsoring union on behalf of the workman Gohan Hazra had filed the W.S. stating inter alia that he was appointed at Kustore Colliery as a Loader on 17-10-71 and his age is being assessed as 34 years on the date of appointment and it was so recorded. In Form B Register of Kustore Colliery and same age is recorded in the Identity Card issued by the management of Kustore Colliery. Further case of the Workman in their W.S. is that he was transferred to Moonidih Project on 15-10-75 i.e. after long 4 years working in the same capacity and he joined there in the year 1975. The workman is a poor Harijan by caste and is illiterate. He worked in Moonidih Mines from 1975 till 17-10-91 and thereafter he became idle being superannuated.

3. On receipt of the notice of superannuation by Moonidih management and coming to know about the contents of the same he became astonished and he filed a letter on 25-7-1991 with his LTI for consideration of the matter with referred to Kustore Colliery records and on his request the Moonidih management allowed to continue him in work till 17-10-77 subject to confirmation of record of Kustore Colliery.

4. When no result was obtained by the concerned workman as dispute was raised before the ALC(C) Dhanbad where the conciliation proceeding went up and as it failed the matter was referred out of which this reference came up for my consideration.

5. It is the case of the workman that he is entitled to continue in his service as per age record in Form B Register of Kustore Colliery which is 34 years on 17-10-71 and any deviation thereto is against the rule and thereby the order of superannuation passed by the management making him idle is absolutely illegal and against law.

6. The management in their W.S.-cum-rejoinder had stated that the present reference is not maintainable in accordance with law nor it is covered under the I.D. Act, 1947.

7. The main case of the management is that the concerned workman Shri Gohan Hazra, Token No. 4681 of Moonidih Project joined on transfer from Kustore Colliery on 15-10-75. As per previous report received basing upon the particulars of Kustore Colliery at the date of appointment of the said workman on 17-10-71 his age was mentioned as 40 years and the said service particulars sheet was duly signed by the Manager Kustore Colliery and thereby it is false to say that on 17-10-71 the age of the concerned workman was 34 years.

8. It is stated further that the service excerpts were made over to the individual worker in the year 1987 where also it was mentioned that he was 40 years on 17-10-71 to which he raised no objection and thereby he completed 60 years on 17-10-91 and his superannuation was justified.

9. It has been admitted that the dispute raised claiming age of the concerned workman as 34 years before the ALC(C) but as it was myth and opposed by the management and thereby he is not entitled to get any relief as prayed for.

10. In the rejoinder practically the same points were reargued denying the W.S. filed by the workman parwise and a case law has been referred contained that it is a stale claim and that can never be entertained in the eye of law.

11. In the rejoinder in addition to the facts already stated, it has been contended by the concerned workman that from the very inception of knowing wrong entry of age in the Moonidih colliery the matter was high lighted but no result was obtained. So the matter was taken up to the ALC(C) through union then came up before this Tribunal being referred by the Ministry of Labour, Government of India.

12. The scope of the reference is very short. What was the age of the concerned workman on the date of entering into service i.e. on 17-10-71 and on assessment of such age it would be considered as to whether the action of the management is justified or not.

13. Before discussing the point in issue let us point out the reference itself which runs as follows :—

"Whether the action of the management of Moonidih Colliery of M/s. B.C.C.L. PO Moonidih, Dist. Dhanbad in not accepting the date of birth of Shri Gohan Hazra recorded in Form 'B' Register as 34 years on 17-10-1971 of Kustore Colliery of B/s B.C.C. Ltd. is justified? If not, to what relief the Workman is entitled?"

So on perusal of the reference it is crystal clear that this Tribunal has been requested to adjudicate whether the action of the management of Moonidih Colliery of M/s. BCCL is not accepting the date of birth of the concerned workman recorded in Form B Register as 34 years on 17-10-1971 of Kustore Colliery under BCCL is justified.

14. It is a settled principle of law that there is no scope of any Tribunal to travel beyond the terms of reference.

15. So on carefully scrutiny of the terms it can be accepted at the very outset that in the Form B Register of Kustore Colliery of M/s. BCCL where the concerned workman entered into the service on 17-10-71 his age was recorded as 34 years on the said date of joining of service. No doubt this is the initial document and the particulars were incorporated therein including the Form B Register on the basis of the materials supplied by the concerned workman and on verification as because it is the convention that each and every job is given subject to verification as it is required under law.

16. It is an established position that Form B Register is the document which reflects the initial particulars more or less relating to a workman and on the basis of the said register, Identity card, P.F. account etc. are made and there are the most important document and upon which

all the particulars are found to be relied upon so far I have understood in the matter of adjudication as a Presiding Officer of this Tribunal. At the very outset it may be pointed out again that it is an admitted position irrespective of any document that on 17-10-71 the concerned workman joined in his job in the same post in which post he is till now at present and at that time his age was recorded as 34 years on 17-10-71 after seeing the materials connected to it and that was confirmed on verification even thereafter.

17. So far I have gathered from the argument of Mr. H. Nath, learned Advocate for the management that in the L.P.C. file while the concerned workman was transferred from Kustore Colliery to Moonidih his age was recorded as 40 years on 17-10-71 and thereby it was so recorded in Moonidih Colliery record and that is the basis making order of superannuation of the concerned workman considering his age to be 40 years on 17-10-71.

18. In this case parties have examined some witnesses in support of their respective case besides documentary evidence adduced by the concerned parties. It is a fact that the document filed by the management go to show that the age of the concerned workman is shown as 40 years as on 17-10-71 vide Ext. M-2, M-3, M-4 etc. No doubt it bears LTI of the concerned workman but peculiar enough that the management has overlooked the document Ext. M-7 which is the photo copy of the Form B Register of Kustore Colliery where the age of said Gohan Hazra has been recorded as 34 years as on 17-10-71 which remain unexplained. Ext. W-1 is the Identity card of the concerned workman which bears the date of joining but it does not bear the date of birth. So the document which is Ext. M-7 and which is of the management also clearly supports the case of the workman. Needless to say that is the initial document at the time of first appointment of the concerned workman Shri Gohan Hazra. Keeping in mind the said document being unchallenged I do not place any reliance upon the subsequent document as because if any mistake was cropped up in the L.P.C. at the time of transfer and that continued subsequent to that the illiterate workman cannot be victimised for that irrespective of putting his LTI. It is needless to say that a person who puts the LTI cannot be expected to know the contents of the document shown to him or supplied to him or received by him at any point of time if no occasion arose to know the particulars. Obviously this occasion arose when he got the notice of superannuation 6 years earlier from the time of his actual superannuation.

19. In this premises let me refer the oral evidence on record. From the side of the management two witnesses have been examined one is MW-1 Shri Surendra Jha and other is MW-2 Shri A. Jha. MW-1 has deposed before this Tribunal that he knows the concerned workman and stated further that the said workman was transferred from Kustore Colliery to Moonidih Project in the year 1975 and on his transfer the particulars of his service were received from Kustore Colliery being signed by the Manager and he has marked the said service particulars as Ext. M-1 and he has also marked identity card of the concerned workman as Ext. M-2. He has also proved the document Ext. M-3 the Form B Register where the age of the concerned workman is written as 40 years and he has also proved the service excerpts Ext. M-4. According to him the claim is not justified. He has proved other documents marked as Ext. M-5 and M-6 etc. He was cross-examined at length and he was suggested that the documents were fabricated by the management which was denied by him.

20. MW-2 Shri A. Jha, the Personnel Officer of Kustore Colliery has produced the Form B Register connected with this case marked Ext. M-7 and he has stated that as per Form B Register Ext. M-7 the age of the concerned workman is written as 34 years, when he joined at Kustore Colliery.

21. So after considering the initial document i.e., the Form B Register of Kustore Colliery where the age of the concerned workman is recorded as 34 years on 17-10-71 I am inclined to accept the said document and also I am inclined to hold

that subsequent documents were the outcome of bonafide or clerical mistake whichever it may be and for such mistake the concerned workman should not be victimised.

22. Learned Advocate Mr. Nath contended that this reference should be dismissed and the claim should be found unjustified as it is a stale claim.

22. There are divergent case laws upon such point and as there is no specific provision of limitation in I.D. Act only for the delay of 3/4 years where the correspondence were proceeded I cannot accept the argument of Mr. H. Nath, learned Advocate for the management to reject this claim as stale claim.

24. Therefore, I have no hesitation to hold that the action of the management of Moonidih Colliery of M/s. BCCL, P. O. Moonidih Distt. Dhanbad in not accepting the date of birth of Gohan Hazra recorded in Form B Register as 34 years on 17-10-71 of Kustore Colliery of M/s. BCCL is unjustified and thereby the order of superannuation of the concerned workman holding his age in the entry of the service as 40 years is absolutely arbitrary and unjustified and against law. Therefore, the concerned workman is to superannuate on 17-10-97 if he be not removed otherwise for other reasons in the meantime and thereby he should be reinstated in the service with a direction for payment of full back wages and in the amenities and scale available to him at this stage within one month from the date of passing to the Award with full back wages including other benefits such as Bonus etc. is also to be paid within 3 months from his joining and his date of superannuation to be considered as 17-10-91 not as 17-10-91. This is my Award.

AWARD

By Order No. 1-12012/106/93 IR(B-II) dated 27-8-1993, the Central Government in exercise of its powers under section 10(1)(d) and (2A) of the Industrial Disputes Act, 1947 referred the following dispute to this Tribunal for adjudication:

"Whether the claim of the United Bank of India Emp. Union Murshidabad that Sri S. N. Ghosh had been working as a cash clerk and therefore the action of the management of United Bank of India in redesignating him as general clerk is unjustified is correct? If so, what relief is Sri Ghosh entitled to?"

2. It is a case of the year 1993 and the notice has been made sufficient on the parties, but none has appeared for either party till now and no written statement is also filed by either of them, even though the case has been adjourned from time to time since 1-11-1993. On 31-9-1996 an order was passed by the Tribunal allowing the workmen to file written statement by 11-3-1996 by way of last chance, failing which it was indicated that necessary orders would be passed. On 11-3-1996 neither the written statement had been filed, nor anybody appeared on behalf of the workmen.

3. I accordingly come to hold that the workmen have given up their claim. As such, I dispose of this reference by passing this "No Dispute" Award.

AWARD

The Central Government in the Ministry of Labour vide its Order No. L-12012/271/91-IR (B-II) dated 17-12-91 has referred the following industrial dispute to this Tribunal for adjudication :

"Whether the action of the management of Union Bank of India in imposing the penalty of stoppage of 5 increments with cumulative effect and withdrawal of Head Cashier's allowance on Shri Umesh Kumar Garg, Head Cashier/Clerk presently posted at Yusuf Sarai Branch, New Delhi is justified? If not, what relief is the workman entitled to?"

2. The workman in this case namely Umesh Kumar Garg has filed statement of claim through the Union Bank of Staff Congress alleging therein that five increments of the workman with cumulative effect were stopped by the management and the punishment of withdrawal of the Head Cashier allowance was imposed upon him. He was served a chargesheet dated 22-9-83 by the Superintendent Department of Personnel, I.R. Section, Central Office, Bombay which is not only vague and unspecific but beyond the scope of the Bipartite Settlement of 1966. The whole enquiry was conducted in haste with the pre-determined mind to make Shri Garg the scape goat. Neither the enquiry against Shri Garg has been conducted in accordance with the principle of natural justice nor the findings have been drawn on the basis of material on record. The Inquiry Officer awarded the penalty without any powers in contradiction to Bipartite Settlement of 1979. The appellate authority also did not consider the case properly. Hence this Industrial Dispute.

3. Management in its written statement alleged that the punishment awarded to the workman was just and fair and was according to the offence for which he was charge sheeted.

4. Shri S. L. Verma appeared as MW-1 on behalf of the Management while the workman himself made statement that the punishment awarded to him may be reduced as it would create loss to him and his family members will be suffering financially. He further stated that one of his brother was handicapped and he his old parents to be looked after besides three children. He further stated that he would work as disciplined officer of the management in future and will not let any such thing happen again.

5. Arguments of the representative for the parties were also heard and the representative for the management has urged that the charge against the workman was duly proved and he himself accepted his fault on many occasions. The charge against him was that he was found short of cash amounting to Rs. 3,500 that amount was also paid by the workman to the management and in view of this lenient view was already taken by the management. Instead

of terminating his services in which punishment of stoppage of increment was given to him. The charges levelled against him were serious because misappropriation and doing acts prejudicial to the interest of the bank were very serious for which no employee could be retained in the employment.

6. The representative for the workman has urged that from the very beginning the workman has admitted his guilt and also stated before the Enquiry Officer as well as before the disciplinary authority about the mistake he had committed and has always prayed leniency in the matter.

7. In view of his consistent stand of having admitted his guilt from the very beginning the management had

already decided to impose stoppage of five increments with cumulative effect. So I feel that stoppage of two increments with cumulative effect will meet the ends of justice as the workman is already repenting on the mistake he has already committed. In view of this situation I hold that the enquiry committed against the workman was fair and proper and in view of his admission of the guilt I order that in place of stoppage of 5 increments two increments with cumulative effect shall remain stopped in his case. Parties shall bear their own costs.
